GENERAL RESERVE FUND

South Carolina Constitution, Article III, Section 36
South Carolina Code of Laws, Section 11-11-310

The General Reserve Fund balance must equal three percent (reduced from five percent to four percent beginning in FY 1984-85 and from four percent to three percent beginning with FY 1988-89) of the General Fund revenue of the latest completed fiscal year. Funds may be withdrawn from the reserve only for the purpose of covering operating deficits. The amount withdrawn must be restored to the account within three years out of future revenues until the three percent requirement is again reached; a minimum of one percent, if necessary, must be restored to the account each year following a deficit until the three percent requirement is restored.

CAPITAL RESERVE FUND

South Carolina Constitution, Article III, Section 36
 South Carolina Code of Laws, Section 11-11-320

The Capital Reserve Fund is a recurring appropriation that must equal two percent of the General Fund revenue of the latest completed fiscal year. If the current year's revenue forecast projects a year-end deficit by March 1, then the Capital Reserve Fund appropriation must be reduced to the extent necessary before mandating any operating appropriation reductions. If no year-end deficit is projected by March 1, the Capital Reserve Fund may be appropriated in separate legislation by a two-thirds majority of each house. Allowed expenditures are: (1) to finance in cash previously authorized capital improvement bond projects, (2) to retire interest or principal on bonds previously issued, or (3) for capital improvements or other nonrecurring projects.

The appropriation of Capital Reserve Funds must be ranked by priority and become effective thirty days after the close of a fiscal year. If the fiscal year ends in a deficit, the Capital Reserve Fund is reduced based on reverse priority ranking; the Capital Reserve Fund must be exhausted before resorting to the General Reserve Fund to cover a deficit. Any Capital Reserve Funds not appropriated in whole lapse to the General Fund.

REVENUE DATA

BEA REVENUE ESTIMATE ANALYSIS

The Board of Economic Advisors, comprised of three members, is responsible for forecasts of General Fund revenue. The first official revenue forecast for the succeeding fiscal year is made by November 10. A final forecast is made on February 15, and revisions past the final forecast date may be made only when economic conditions warrant. The Board is also responsible for delineating forecasts by quarters; if General Fund revenues are four percent or more behind expected collections for the first or second quarter, the Budget and Control Board is required to take appropriate action to avoid a year-end deficit.

CONSTITUTIONAL SPENDING LIMIT

S.C. Constitution, Article X, Section 7, Subsection (c)
S.C. Code of Laws, Section 11-11-410

South Carolina law provides that state appropriations in any fiscal year may not exceed appropriations authorized by the constitutional spending limitation. The limitation on expenditures is calculated by two methods, with the official limit defined as the greater of the two results. Expenditures included under the spending limit are those from the General Fund, Highway Trust Fund, and the Education Improvement Act.

Method #1: The state appropriation authorized by the spending limit for the previous fiscal year increased by the average percentage rate of growth in state personal income for the last three completed calendar years.

Method #2: Nine and one-half percent of the total state personal income for the calendar year ending before the fiscal year under consideration.

FTE POSITION ANNUAL LIMITATION CALCULATION

S.C. Constitution, Article X, Section 7, Subsection (d)
S.C. Code of Laws, Section 11-11-420

State law imposes a limitation on the number of state employees paid from the General Fund. The computation of the limit is directly tied to the total resident population of the state as determined by the most recent census.

 $(38,183.69 / 3,121,833 = 1.2231\%)$.

(2) 2003-2010 State Population are projections developed by the Office of Research and Statistical Services as of September 2005. Projections have been adjusted to the 2000 Census.

Palmetto Fellows is a merit-based scholarship program. Students must score at least 1200 on the SAT or 27 on the ACT, have at least a 3.5 GPA at the end of their junior year (in high school), and rank in the top 5% of their high school class at the end of their sophomore or junior year. Beginning in FY 2003-04 students must rank in the top 6% of their high school class at the end of their sophomore year, junior year or first semester of their senior year. To be eligible for renewal, students must maintain at least a 3.0 GPA and earn a minimum 30 semester credit hours each academic year. The award may not exceed \$5,000 each academic year. Beginning in FY 2002-03, the award may not exceed \$6,700 each academic year.

Need-Based is a grant program for "needy" students based on federal financial aid guidelines established under Title IV. Students must earn at least a 2.0 on a 4.0 scale to maintain the scholarship. The grant may not exceed \$2,500 per academic year for full-time students and \$1,250 per academic year for part-time students. The grant funds for private colleges and universities are administered by the S.C. Tuition Grants Commission, while funds for students attending public schools are campus-administered and disbursed by the Commission on Higher Education.

LIFE Scholarship is a merit-based scholarship program. In order to qualify, a student must have scored at least 1000 on the SAT and graduated with at least a 3.0 GPA from high school. The SAT requirement increased to 1050 for students entering college in 2000 and to 1100 in 2002 (or equivalent ACT). Beginning in FY 2002-03, students must meet 2 of 3 requirements: (1) 1100 on SAT or equivalent ACT, (2) 3.0 GPA from high school, or (3) top 30% of high school graduating class. Students must maintain at least a 3.0 GPA and earn a minimum of 30 semester credit hours each academic year. At inception, students attending four-year institutions received \$2,000, while students attending two-year institutions received \$1,000 each academic year. Beginning in FY 2000-01, the scholarship awards were changed to provide students attending four-year institutions a \$3,000 award, while students attending two-year institutions received free tuition. Beginning in FY 2002-03 the scholarship award for students attending four-year institutions increased to \$4,700 plus \$300 per year for books, while students attending two-year institutions (including technical colleges) receive free tuition plus \$300 per year for books.

HOPE is a merit-based scholarship program for freshmen only. The scholarship is for first-time freshmen attending four-year institutions who do not qualify for a LIFE or Palmetto Fellows scholarship, but who graduate from high school with a minimum 3.0 GPA. HOPE recipients earning a 3.0 GPA in their freshman year receive a LIFE scholarship starting their sophomore year. The award may not exceed \$2,650 (including a \$150 book allowance).
